BREAKING NEWS: TWO NEW TRUE CRIME EVENTS!

We're not giving up on 2020 yet. . .

. . . and neither should you! Just because we won't see each other in Orlando this month doesn't mean there's no CrimeCon.

In fact, we're excited to announce not one but TWO upcoming CrimeCon events with tickets on sale TODAY -- and as always, our loyal Insiders get the first stab at Early Bird passes AND 15% off. (Keep reading, it gets even better!)

*Note: Early Bird tickets are **extremely** limited and prices will increase!*

HOUSE ARREST

PRESENTED BY **OXY GEN**

This year has been an exercise in resilience and patience for everyone, and our fans have risen to the occasion. Now it's our turn. Since you can't come to us, we've challenged ourselves to bring the most exciting and engaging CrimeCon experience to YOU on **Saturday, November 21**.

[CrimeCon: House Arrest](#) brings everything you love about CrimeCon -- and we mean *everything* -- to your home. This isn't just another boring Zoom meetup. This is a full day of true crime education, immersion, and interaction. Just like our live in-person events, House Arrest offers:

- Multiple stages, programming tracks, and demonstrations
- Podcast Row and vendor exhibitor hall
- Networking and one-on-one interactions
- Live Q&As, polls, and workshops
- Super sleuthy VIP swag bags
- Tons of surprises you won't want to miss!

We'll announce new guests, pods, sessions, and speakers regularly between now and November 21, but here are four powerhouse fan-favorites already on board for House Arrest (remember, as Insiders you're the first to know about these, so let's keep this between us for now):

Dr. Lee's [homicide investigation session](#) was a smash-hit at CC19 & we're thrilled to see what he has in store for our first full-day virtual event.

[Oxygen's](#) Kelly Siegler always brings heart, passion, and good humor to the CrimeCon stage. She'll talk behind the scenes of *Cold Justice* and much more!

What's CrimeCon without everyone's favorite prosecution powerhouse?! Every year she brings laughter, tears, and all emotions in between to the stage.

One session with [deception detection expert](#) Mark McClish and not only will you know when your kids are fibbing, you'll know how to spot liars *everywhere*.

THINK THAT'S ALL? YOU'RE DEAD WRONG.

MORE HOUSE ARREST GUESTS AND PODCASTERS WILL BE ANNOUNCED OVER THE NEXT SEVERAL WEEKS (INCLUDING SOME **JAW-DROPPING SURPRISES** FROM OUR "MOST REQUESTED" LIST!)

LOCK IN OUR LOWEST PRICES NOW!

Look, we get it: the aforementioned resilience and adaptability has been *exhausting*, and you may be ready to hibernate for the winter. That's understandable, but rest up, folks, because next **June 4-6** we're high-tailin' it down to [Austin, Texas!](#)

Everything's bigger in Texas, and CrimeCon is no exception. After being stuck inside for so long, we'll be ready to hit the Lone Star State with the biggest and best CrimeCon yet.

But while our agenda will be **massive**, the event probably won't be. We anticipate some spacing restrictions and are therefore putting a very limited number of badges on sale, including only a handful at our Advance Rate. With "On Site" and "Early Bird" tickets already snagged by Orlando badge-holders this is the lowest price we'll ever offer for Austin 2021.
